PRIMITIVE CHRISTIAN CHURCH

"Blessed shall you be in the city"

January 15, 2012

Welcome to our Sunday celebration!

All of our planning for this gathering has been to glorify God and to make you feel at home. Our desire is that you find this to be the place where you can grow spiritually, mentally and emotionally. We always want to reach up to God by reaching out to you.

Bottom line, we want to help make a difference in people's lives. We know that if we can change one life then our communities will be transformed as well.

Our people are not pretending to have a super level of spirituality. We know that if we genuinely engage God through praise and worship, then He will walk with us even during our most difficult times. When we pretend to have it all together, we only fool ourselves.

Remember that no matter your past, God has a specific plan for you. We invite you to join us as we worship and grow spiritually. You have a place here! Welcome home!
